ADVANT Beiten Advises Banyan Software on Acquisition of star/trac

Berlin/Freiburg, 6 June 2025 - The international law firm ADVANT Beiten has provided comprehensive legal and tax advice to Banyan Software on the acquisition of star/trac supply chain solutions GmbH, a specialized provider of yard and transport management solutions for the chemical, industrial and logistics sectors. The parties have agreed not to disclose the purchase price. The acquisition further strengthens Banyan Software's market position in the DACH region.
