BEITEN BURKHARDT Moscow organized a business breakfast on the topic "Antitrust compliance: Current practice and development prospects" together with German Centre in Moscow

A business breakfast was held on 12th and 13th October 2016 in Moscow. Anna Klimova with Alexander Bezborodov from *BEITEN BURKHARDT Moscow* spoke in front of approximately 40 participants on the topic "Antitrust compliance: Current practice and development prospects".

The speakers discussed the following relevant issues:

- 1) Antitrust compliance: definition, implementation goals and application specifics compared to the general compliance system;
- 2) Current regulation and existing practice of applying antitrust compliance in Russia and abroad;
- 3) Planned legislative amendments in the Russian Federation and the position of the Federal Antimonopoly Service of Russia (FAS of Russia): mitigation of liability for violation of antitrust legislation when organizing an effective antitrust compliance system;
- 4) Risks for Russian companies arising in the case of an implemented antitrust compliance system or if there is no antitrust compliance system;
- 5) Recommendations on developing, implementing and updating an antitrust compliance system at a company, and on how to integrate antitrust compliance in an existing internal compliance system;
- 6) Actions that you should take if you discover violations of antitrust legislation at the company: the measures that employees and management should take, interaction with FAS of Russia and the law enforcement authorities;

BB Short News

- 7) Case study: best and worst antitrust compliance implementation practices and antitrust compliance work at Russian and foreign companies.

A lively discussion with these experts and participants was held afterwards.
