BEITEN BURKHARDT's lawyers take part in Corporate Run 2016

Moscow, 22 September 2016 – The major pan-corporate event “Corporate Run” was held on 17 September 2016, bringing together more than 5,000 employees of 50 leading companies and their family members at the Otkritie Arena stadium.

The Corporate Run is a unique format that successfully combines aspects of a corporate event, social project, Family Day, networking event and sports day.

The participants in the Corporate Run are dedicated corporate employees who have set their sights on both constant professional and personal growth. They are all individuals, who are interested in taking on new challenges and at the same time never forget about their families and friends in their pursuit of constant development!

The Corporate Run is not only a run. The organizers created several platforms to enable everyone to complete the challenge and facilitate the corporate cohesion of the most varied company representatives. Each participating company has an opportunity to make a contribution to the charities Downside Up or Marathon in the Dark.

The Corporate Run is a major unified platform for different corporate cultures and provides an opportunity as part of the Corporate Run to unite them in one major corporate culture. And it also goes without saying that this represents an additional opportunity for individuals, who want to prove that they are leaders not only in business, but also in sport, to achieve
