## SHORT NEWS

### **Joint Venture Contract and Joint Venture Participants Agreement between Gazprom 335 and Linde AG**

**Moscow, October 3, 2019** – At the 9th St Petersburg International Gas Forum Linde AG and Gazprom 335 LLC have signed the Joint Venture Agreement and Agreement on the Exercise of Participants' Rights. In accordance with the document, the parties will create a joint engineering venture to develop process, design and engineering documentation for natural gas processing and liquefaction facilities in Russia. In addition, the companies plan to provide services for the commissioning and operation of LNG plants.

Vasily Ermolin from the Moscow office of BEITEN BURKHARDT has been providing legal support for Linde for the project.
